February 01, 2016

To Whom It May Concern:

The Wyoming Petroleum Section of the Society of Petroleum Engineers is accepting scholarship applications for the 2016-2017 school year. Applicants must be high school seniors intending to pursue a degree in petroleum engineering or a petroleum related field, or college students currently enrolled in petroleum engineering at an accredited university or college.

Each year the Wyoming Petroleum Section of the Society of Petroleum Engineers gives out thousands of dollars to worthy applicants from around the Rocky Mountain Region. We look for students who excel both academically and socially, have an interest in the petroleum industry, are involved with extracurricular activities, and are eager to contribute to the petroleum industry.

Please fill out the attached application and include a current official transcript. Any letters of recommendation from faculty or other individuals that can comment on the applicant’s character and work ethic are also welcome.

Any undergraduate scholarship awarded by the Society of Petroleum Engineers is contingent upon the recipient being officially registered at an accredited university and enrolled in a curriculum leading to the degree of Bachelor of Science in Engineering. Please return the completed application along with any attachments by April 15, 2016 to the following address:

ATTN: Scholarship Chair
Wyoming Petroleum Section
Society of Petroleum Engineers
P.O. Box 2154
Casper, WY 82602

The scholarship committee will notify successful candidates by June 17, 2016. If you have any questions concerning this matter or if you require further information, please feel free to contact me at lopitz@powerserviceinc.com.

Sincerely,

Luke Opitz
Scholarship Chairman
