The Department of Geosciences and Geological and Petroleum Engineering at the Missouri University of Science and Technology (Missouri S&T) in Rolla, Missouri is seeking outstanding applicants for a non-tenure track Assistant or Associate Teaching Professor faculty position. Expertise in the petroleum industry and in drilling and/or completions is preferred but all areas will be considered.

Responsibilities include teaching the S&T drilling courses, but the background and/or experience to teach other petroleum engineering courses is a plus. The successful candidate may be expected to develop distance (on-line) courses, work with student organizations and design teams, and perform undergraduate advising. A Ph.D. in petroleum engineering or a closely related field is required at the time of appointment.

Missouri S&T is one of the nation’s leading research universities. Located about 100 miles west of St. Louis, Missouri S&T is an accessible, safe and friendly campus surrounded by Ozarks scenery. The GGPE Department has 20 tenured/tenure-track faculty and approximately 450 students (roughly evenly split between graduate and undergraduates). All of our programs offer B.S., M.S. and Ph.D. degrees. The Petroleum Engineering program has approximately 80 undergraduate students and 40 graduate students. More information about the department can be found at http://ggpe.mst.edu/.

For further information about the program or this position, please contact Dr. David Borrok at borrokd@mst.edu.

Applications need to be submitted on-line through the Missouri S&T Human Resources site at jobs.mst.edu. Application materials must reference position number 32302. Documents for upload must include: (1) a letter summarizing the candidate’s experience and qualifications, (2) a curriculum vitae, and (3) a statement of teaching interests and philosophy. Names and contact information of three references must also be provided. Applications should be submitted prior to January 15, 2020, for full consideration.
